## Founder-friendly growth capital without interest or equity

### Uncapped - who we are?

We provide founder-friendly growth capital from £10k to £2 million without interest, equity, or personal guarantees. We charge a flat 6% fee for the capital provided and get repaid via a win-win revenue share agreement. There's no pitching or business plans required and most decisions are made within 3 days.

### Why do **CHADSAN** use Uncapped?

We're always on the look out for new ways that we can help our clients and support their businesses. Uncapped is a refreshing mode of finance that can be very helpful for a company's cash flow, as repayments are based on the company's revenue generation in that month.

When we discovered Uncapped we knew that it could be a great option for some of our clients that were looking for funding options to explore.

#### Introducing a new financing option for European founders.

We believe founders shouldn't have to give up ownership or pay interest to fund growth!

That's why we provide **interest & equity free** investments from £10k - £2m

### Who is it for:

Most revenue generating online businesses are eligible

 **Boot strapped Entrepreneurs** looking to avoid giving up control or personal guarantees

 **Well funded and VC backed** companies looking for more affordable capital as they scale

#### Uncapped is a great fit if you have:

- Generated sales for at least 6 months
- Reached monthly revenues of £10K+
- Positive unit economics
