

# Newsletter

## Featured in this month's newsletter:

- What is all this talk about '[Making Tax Digital](#)'? Read about what you need to know and how we can help
- Learn about how [ConnectDS](#) went from start-up to a successful cyber security business
- Are you in need of helping hands in your business? Have a read of our [latest blog](#) which describes our experience in having placement students on the ChadSan team
- Find out how a semi-pro football player became a [great accountant](#)

## Featured ChAdvice: Making Tax Digital

With less than a year until Making Tax Digital (MTD) is rolled out and becomes mandatory, are you aware of how this affects you? [Read our latest ChAdvice to find out more!](#)

## Start-up Stories: ConnectDS

Read about the start-up challenges ConnectDS faced when the business started.

We interviewed [ConnectDS](#) director, Craig Bird to get his side of the experience.

## New Blog Placement Students

We are in our third year of welcoming placement students for a year's work experience here at ChadSan. It's been great to see them flourish as assets to the team while gaining valuable work experience.

## ChadSan in the spotlight Sam Jowett

This month we spoke to our Client Manager Sam Jowett. Find out why he chose to be an accountant after having a semi-pro career as a football player!

[More Sam](#)

## Xero in the spotlight - Bank Rules

This month we feature a long standing feature in Xero but one that is really underutilised. That could save you time and make reconciling you bank even more efficient.
